Who we are:

New Leaf: Living & Learning Together Inc. is a not-for-profit social service agency located north of Newmarket, providing residential and day supports to adults with developmental disabilities. We endeavor to provide quality supports and services that offer a rural option to individuals with intellectual disability, dual diagnosis and/or other complex needs.

Why work with us?

Opportunities for Growth and Challenge

Opportunities to build relationships with the people you support

The satisfaction of knowing you made a difference in someone's life

The opportunity to promote personal interests, growth and development of the people you support
